

AMENDMENTS TO THE CLAIMS

Please amend claims 19, 22, and 27 as indicated below in the detailed listing of claims:

Claims 1-18 (canceled).

Claim 19 (currently amended). A method, comprising:

providing a client interface and a database containing information, wherein the client interface comprises at least a portion of a network;

detecting a client inquiry via the client interface;

presenting the information to the client via the client interface in response to the inquiry;

presenting an information selection prompt via the client interface in response to the client inquiry;

receiving a client selection of at least a portion of the information via the client interface in response to presenting the information-selection prompt;

in response to receiving the client selection, assembling the selected information into a document, wherein the client does not specify an arrangement of components to create the document;

obtaining an electronic image, comprising:

the document selected data retrieved from a database, the selected data corresponding to the client selection; and,

a postage marking calculated based on a total weight of a booklet;

and,

printing the electronic image onto one or more sheets of print media.

Claim 20 (previously presented). The method of claim 19, further comprising:

presenting a name and address prompt via the client interface; and,

receiving a client name and postal address in response to presenting the name and address prompt.

Claim 21 (previously presented). The method of claim 20, wherein the electronic image further comprises the client name and postal address.

1 Claim 22 (currently amended). The method of claim 19, wherein the further selected
2 informationdata comprises an image to be purchased by the client.

3 Claim 23 (previously presented). The method of claim 22, wherein the image to be
4 purchased by the client is substantially in the form of sheet music.

5 Claim 24 (previously presented). The method of claim 22, wherein the image to be
6 purchased by the client is substantially in the form of artistic graphics.

7 Claim 25 (previously presented). The method of claim 22, wherein the image to be
8 purchased by the client is substantially in the form of literary text.

9 Claim 26 (previously presented). The method of claim 22, wherein the image to be
10 purchased by the client is substantially in the form of technical data.

11 Claim 27 (currently amended). A method, comprising:

12 providing a client interface, wherein the client interface comprises at least a
13 portion of a network;

14 detecting a client inquiry via the client interface;

15 presenting an information selection prompt via the client interface in response
16 to the client inquiry;

17 receiving a client selection via the client interface in response to presenting
18 the information selection prompt;

19 accessing a read only memory device and retrieving selected data
20 corresponding to the client selection;

21 in response to receiving the client selection, assembling the selected data into
22 a document, wherein the client does not specify an arrangement of components to
23 create the document;

24 obtaining an electronic image comprising:

25 the documentselected data; and,

26 a postage marking calculated based on a total weight of a booklet;

and,

27 printing the electronic image onto one or more sheets of print media.

1 Claim 28 (previously presented). The method of claim 27, further comprising:
2 presenting a name and address prompt via the client interface; and,
3 receiving a client name and postal address in response to presenting the
name and address prompt.
4

5 Claim 29 (previously presented). The method of claim 28, wherein the electronic
6 image further comprises the client name and postal address.
7

8 Claim 30 (previously presented). The method of claim 27, wherein the selected data
comprises an image to be purchased by the client.
9

10 Claim 31 (previously presented). The method of claim 30, wherein the image to be
11 purchased by the client is substantially in the form of sheet music.
12

13 Claim 32 (previously presented). The method of claim 30, wherein the image to be
14 purchased by the client is substantially in the form of artistic graphics.
15

16 Claim 33 (previously presented). The method of claim 30, wherein the image to be
17 purchased by the client is substantially in the form of literary text.
18

19 Claim 34 (previously presented). The method of claim 30, wherein the image to be
20 purchased by the client is substantially in the form of technical data.
